VEHICLE INFORMATION. The following information is needed for the BSA Tour Permit, which we must submit in order for Scouts to be covered by BSA insurance when we travel. Please provide this information, even if you don't think you'll ever camp. Sometimes we don't have enough seatbelts to transport all the Scouts to activities, and we may need to ask non-camping parents if they can help out by just transporting Scouts there or back. Unless otherwise indicated, insurance coverage is assumed to be 50/100/50. Please list all family vehicles and indicate who normally drives each one.
